Page I-4, beginning on line 25, strike "State approval, such" and all that follows through page 11-5, line 5, and insert the following:

- 1       State approval, the following applies:
- 2               “(A) 60 DAYS FOR APPROVAL.—Such
- 3       transfer shall be deemed approved by the State
- 4       unless the State, within 60 days after receipt of
- 5       such transfer request, disapproves such request
- 6       or promptly notifies the agency in writing of
- 7       such revisions as may be necessary before the
- 8       State will approve the transfer.
- 9               “(B) CONSIDERATION FOR APPROVAL.—
- 10       When approving a local education agency request
- 11       to transfer an amount greater than 40
- 12       percent, the State shall consider the degree to
- 13       which the transfer accomplishes the following:
- 14               “(i) Enables the local educational
- 15       agency to direct resources to a Federal

1                   program that more effectively addresses  
2                   the needs of their students, particularly the  
3                   most disadvantaged students.

4                   “(ii) Allows the local educational  
5                   agency to target or focus resources to ad-  
6                   dress specific areas of need or priority  
7                   when Federal requirements would other-  
8                   wise prevent, or significantly impede, such  
9                   an effort.
